Highlights

One cup indicator

Enabling consumers to boil the amount of water they need, and therefore saving of up to 66% energy and water, contributing to a better environment.

Power cord winder

The cord can be wrapped around the base, so that the kettle is easy to place in your kitchen.

Multi safety system

Multi safety system against boil-dry, with auto switch off when ready.

Stainless steel finishing

Robust metal kettle with brushed stainless steel finishing

Water level indicators

Easy to read water level indicators on both sides of the Philips electric kettle for left and right handed use.

Cordless 360° pirouette base

Cordless 360° pirouette base for easy lifting and placing.

Flat heating element

The stainless steel concealed element ensures fast boiling and easy cleaning.

Pilot light

Elegant light incorporated in the on/off switch indicates when the kettle is on.

Anti-calc filter

Anti-calc filter for a clean cup of water and a cleaner kettle.

Spring lid

Spring lid with large opening for easy filling and cleaning, also avoiding steam contact.

Lid knob stays cool

Lid knob stays cool for a safe touch.
