Steam iron

2000 W

Anti-calc

Non-stick soleplate

GC1432

Easy and Effective

3 ways to make your ironing easier

This comfort steam iron makes your ironing easy and effective with lots of continuous steam and the non-stick soleplate soleplate makes your gliding easier. With comfort iron the ironing job is now made simpler.

Easy gliding on all fabrics

- Easy gliding on all ironable garments

Longer lifetime

- Calc clean slider to easily remove scale out of your iron

Easy to remove creases

- A fine spray evenly moistens the fabric
- Continuous steam up to 25g/min for good crease removal
- Power up to 2000 W enabling constant high steam output

Easy to start ironing

- Large water tank 220ml and convenient water filling
- Bigger temperature dial for easier temperature adjustment
- Triple precision tip for optimal control and visibility

Highlights

Spray

The spray function produces a fine mist that evenly moistens the fabric, making it easier to iron out creases.

Triple precision tip

The tip of this Philips iron is precise in 3 ways: it has a pointed tip, button groove and a sleek design of the nose. Triple Precision tip enables you to reach even into the most tricky areas, e.g. around the buttons or between the pleats.

Power up to 2000 W

Power up to 2000 W enables constant high steam output.

Non stick soleplate

The soleplate of your Philips iron is coated with a special non-stick layer for easy gliding performance on all ironable garments.

Large water tank

Less refilling with the extra-large 220 ml water tank so you can iron more clothes in one go.

Temperature dial

Bigger temperature dial for easier temperature adjustment

Continuous steam up to 25g/min

Continuous steam up to 25g/min for good crease removal.

Calc clean slider

This steam iron can be operated with normal tap water and the calc clean slider makes it easy to remove any built-up scale out of your iron. To maintain the performance of your Philips steam iron, you should use this scale clean function once a month when using normal tap water.

Specifications

Fast crease removal
