

PHILIPS

Gasket for beer tap
handle

CRP442

To optimise your home-pulled pints of beer

Check compatibility data

This gasket, a rubber ring, prevents air from leaking from the handle of your beer tap unit. To make sure that the tap handle stays firmly in place, you can replace the gasket with a new one!

Ease of using Philips spare parts

- Easily renew your product with original Philips parts

Highlights

Easy replacement of product parts

From time to time your product needs a facelift, and with Philips consumer replacement parts to renew your product, it's never been so easy! All this with guaranteed Philips quality.
