

# PHILIPS

## Steam iron

## 3300 series

3m cord

GC3310

## Great results, minimum effort

3x easier

This Philips steam iron offers you not only extra convenience because of the large water inlet, extra-long cord and water-level indicator; its new SteamGlide soleplate also makes ironing easier and smoother!

### Easy gliding on all fabrics

- SteamGlide soleplate is Philips premium soleplate

### Comfortable ironing

- Extra-long cord for maximum reach
- Extra-large water inlet for fast, easy filling
- Extra-clear indicator for highly visible water level
- Drip-stop system keeps your garments spotless while ironing

### Reaches into tricky areas

- Pointed tip for ironing tricky areas

# Highlights

## Extra-large water inlet

With the extra-large water inlet, adding water to your iron is quick and easy. It only takes a few seconds, and there's no more risk of spilling water everywhere!

## Extra-long cord

With the extra-long cord, you can easily reach right up to the edges of your ironing board - and further!

## Highly visible water level

The extra-clear indicator of your Philips iron, makes the water level highly visible, so you always know if you have enough water at a glance.

## Pointed tip

The uniquely pointed tip allows you to iron even the hardest to reach areas.

## SteamGlide soleplate

SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistancy, glides excellent and is easy to clean.
