

PHILIPS

Steam Iron with
OptimalTEMP technology

Azur Advanced

3000 W

55 g/min continuous steam

240 g steam boost

SteamGlide Plus soleplate

GC4938/20

New generation iron for great results faster* Guaranteed no burns

Iron everything from jeans to silk with no risk of burning* thanks to the OptimalTEMP technology on our Azur Advanced steam iron. Steam output now penetrates up to 20% deeper into the fabric for faster crease removal.

Intelligent ironing for ultimate convenience

- OptimalTEMP technology: Guaranteed no burns, no settings

Easier and faster ironing

- 3000 W for quick heat-up and powerful performance
- Deep penetrating steam, for great results faster
- 55 g steam penetrates up to 20% more steam through fabric*
- Up to 240 g steam boost blasts stubborn creases

Comfortable ironing

- Quick Calc Release in 15 seconds for long-lasting steam performance
- Extra long cord for maximum reach
- SteamGlide Plus soleplate for ultimate easy gliding
- Automatic shut-off when the iron is left unattended

Highlights

OptimalTEMP technology

Thanks to OptimalTEMP technology, we guarantee this iron will never burn any ironable fabric. Iron everything from jeans to silk, from linen to cashmere safely, in any order, without waiting for the temperature to adjust or pre-sorting clothes. Philips steam irons with OptimalTEMP make your ironing easier and faster and have been tested and approved by independent textile experts for their excellent ironing performance.

3000 W for fast heat-up

Delivers a fast warm-up and powerful performance to get your ironing done quickly

Extra long cord

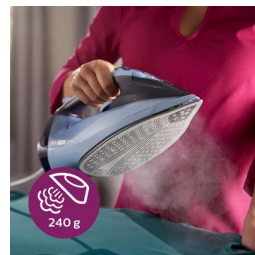

An ultra-long 3-metre cord provides maximum reach and convenience.

Continuous steam up to 55 g/min

Strong and consistent steam output now penetrates up to 20% more steam through fabric to remove creases faster.

Steam boost up to 240 g

Penetrates deeper into fabrics to remove stubborn creases easily.

SteamGlide Plus soleplate

Our exclusive SteamGlide Plus soleplate – with its advanced titanium layer and 6-layer coating – delivers ultimate gliding performance over any fabric. Non-stick, scratch-resistant and easy to keep clean.

Quick Calc Release in 15 secs

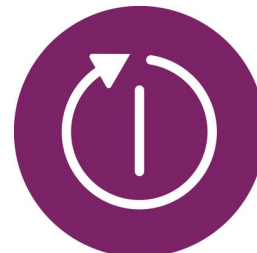

Improved steam generation ensures scale breaks up easily and up to 5x more scale* is collected in the container. With Quick Calc Release, the container is easily removed and emptied in under 15 seconds for long-lasting steam performance every day.

Deep, penetrating steam

Thanks to the special design for maximum steam penetration, now up to 20% more steam through the fabric for great results, faster

Auto shut-off

The iron shuts itself off if you leave it standing still. On its soleplate, it will automatically switch off after 30 seconds. On its heel rest, it will automatically switch off after 8 minutes.

Specifications

Technology

OptimalTEMP technology

Fast crease removal

Continuous steam: 55 g/min

Power: 3000 W

Steam boost: 240 g

Vertical steam

Easy to use

Soleplate name: SteamGlide Plus

Water tank capacity: 330 ml

Extra-stable heel rest

Power cord length: 3 m

Drip-stop

Extra-large filling hole

Auto shut-off

Scale management

Descaling and cleaning: Quick Calc Release

Size and weight

Product dimensions (W x H x D): 33.3 x 17.5 x 13.5 cm

Guarantee

2 year worldwide guarantee
