Wake up to fresh bread every day

Bake any flavour. It's easy and delicious!

You will love the irresistible smell of fresh warm bread every morning! It's very simple.... Add your ingredients at night, set the delay timer for next morning, and let the breadmaker do the rest.

Bread just the way you like it

- Bake two sizes of loaf up to large 1kg
- Up to 13-hour delay timer to wake up to freshly baked bread
- 3 browning levels for your preferred crust
- 'Add' indicator for specialty breads with extra ingredients
- 12 pre-set programs for bread, dough, jam and even yoghurt

Great results with ease

- Handy recipe booklet included
- Measuring cup and spoon included
- Friendly design which is silent (< 65 dbA) and compact
- Comfortable control panel position for all users
- Viewing window to let you watch bread rise and brown
- Detachable lid for easy cleaning

Enjoy your home made yoghurt

- Yoghurt container included

Highlights

2 bread sizes for selection

Bake just the right amount of bread for your needs. Simply choose the loaf size on the control panel to bake medium (750g) or large (1000g) depending on your needs.

Recipe booklet included

Included with cup and spoon

Measuring cup and spoon included

Up to 13-hour delay timer

Enjoy the irresistible smell of fresh warm bread every morning – a true treat and the perfect way to start the day! Simply set the delay timer the night before and the breadmaker will prepare and bake your loaf while you sleep for freshly baked bread to eat the moment you wake up, or whenever you like.

3 browning levels

Thanks to the advanced temperature control system, the Philips VIVA breadmaker let you enjoy your bread just as the way you like it, whether light, medium or dark crust, only with a simple push on the control panel.

'Add' ingredients indicator

During the mixing stage, the breadmaker will give 'beep' sounds to alert you to add other special ingredients to your specialty bread if you wish.

Silent (< 65 dbA) and compact

The breadmaker has a very user friendly design which is silent (65dbA) when operating. Its compact design is superb to fit for any modern kitchen.
