Highlights

Powerful 850 W motor

Our powerful motor can easily handle a great variety of ingredients such as bread dough, hard vegetables, coffee beans, cheese or chocolate. It also slices and shreds with ease.

PowerChop technology

PowerChop technology is a combination of blade shape, cutting angle and inner bowl that provides a superior chopping result for both soft and hard ingredients. It is also perfect for making purées and mixing your cake batters!

Over 31 functions

With more than 31 functions, there is no limit to what you can make: meals, bread, sauces, ground coffee beans, juices and more. Use its high-quality and multifunctional accessories to chop, puree and mince ingredients (S-blade), or just slice and shred (2-in-1 disc). Whatever you're in the mood for!

Large feeding tube

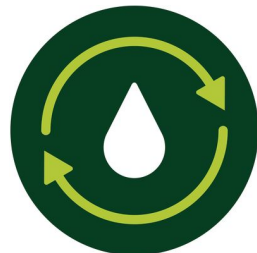

Fast preparation with large feeding tube for minimal pre-cutting.

Colour-coded speed guidance

For perfect results every time, just match the accessory colour to the same speed colour. Use speed 1 to whip cream, beat eggs and make pastries and bread doughs. Speed 2 is ideal to chop onions, mince meat, make smoothies and more.

Quick and easy assembly

Quick and easy assembly of all parts.

Space-saver design

The compact Viva Food Processor takes up less countertop space, yet it is fully equipped with all of the kitchen essentials that you can easily store in the storage box.

Stainless steel 2-in-1 disc

Ergonomic, double-sided disc makes it easy to slice with one side and shred with the other side!

Up to 5 portions in one go

The generous 2.1 L bowl (1.5 L working capacity) lets you blend up to 5 portions of cold soup in one go.

Dishwasher-safe accessories

All accessory parts can be put on the top rack of your dishwasher for easy cleaning.

Break-resistant jar

The 1.5 L resistant jar has a working capacity of 1 L for up to 5 smoothie portions at once.
