Fresh and flavorful homemade pasta has never been easier. With 1600 lb extrusion force and auto-weighing function, the Philips pasta maker can make 600g of pasta within 15 minutes, and it is a fully automatic solution!

Fresh and flavorful pasta & noodle

- Makes a pound of pasta or noodle in just 15 minutes

Consistent and great result.

- Built-in auto-weighing function
- Unique shaping discs to create various types of pasta

Enjoy full convenience of making pasta

- Automatic mixing, kneading and extruding

Various type and flavor of pasta & noodle

- Adding different ingredients to personalize the flavor
- A free recipe book with over 20 different dishes

Highlights

Powerful and fast extrusion

With advanced engineering and robust material and build of the machine, the Philips Pasta and noodle maker can exert 1600 lb force on the dough during extrusion, which not only enables a fast making process in just 15 minutes, but also guarantees perfect texture and taste of the pasta or noodle.

Auto-weighing

The unique designed built-in auto-weighing function weighs the flour and indicates the correct amount of liquid automatically, making the whole process easier and more convenient than ever.

Automatic process

After choosing program and pressing start button, the machine automatically mixes, kneads and extrudes in one go.

Personalized taste

By using different types of flour and adding different ingredients like eggs, herbs or spinach and carrot juice, you can make various types and flavors of pasta or noodle.

Recipe book

Accompanying the machine is a colorful recipe book which provides ingredient lists for 24 different types or flavors of pasta and recipes for over 20 pasta / noodle dishes.

Unique shaping discs

The pasta maker comes with 7 shaping discs including Penne, Spaghetti, Fettuccine, Angel hair, Pappardelle/thick flat, Lasagne, Ravioli /dumpling. You can easily bring variety to the table.
