Highlights

Pressurised Crema filter

This special crema filter guarantees a long lasting delicious crema

15 bar pump

High pressure ensures that the entire aroma of the ground coffee is always fully extracted

Long-lasting premium materials

The Saeco Manual Espresso machine features high-quality and durable housing material.

Classic milk frother

This Saeco espresso machine comes with the classic milk frother that baristas call a "Pannarello". It dispenses steam and is immersed in milk to prepare gorgeous milk foam. Unleash your inner barista by preparing your delicious milk specialties the traditional way!
