This elegant coffeemaker allows you to enjoy a rich aroma and full flavor thanks to its unique Boil & Brew system

Superior aroma

- Boil & Brew system for superior aroma
- Aroma jug

Ultimate Convenience

- Drip stop
- Auto shut-off
- Easy storage of redundant cord length
- Dishwasher-proof parts for easy and convenient cleaning

Highlights

Boil & Brew

The water boils, then flows through the ground coffee to ensure the richest flavour for your filter coffee.

Aroma jug

For 8-12 cups, designed to optimally preserve the coffee flavour.

Drip Stop

Drip stop

Auto shut-off

After 1 hour, for extra safety and aroma protection.
