Enjoy great toast together

Toaster for bread that's always golden brown

Philips toaster with independent double 2-slice operation and variable width slots. Toast up to 4 slices, thick or thin, evenly golden brown. Features cancel, defrost and reheat button, variable browning control and removable crumb tray.

The easy way

- To toast 2 slices independently or 4 at the same time
- Removable crumb tray for easy cleaning
- Reheat setting warms or further browns just-toasted bread
- Defrost and toast frozen bread at any browning level

Enjoy great toast

- Evenly toasts thick or thin slices
- Extra wide and extra deep slot(s) to fit your bread

With maximum safety

- The outside of the toaster stays cool and safe to touch
- High lift feature to safely take out small pieces of bread
- Cancel button stops toasting at any time

Highlights

Double 2-slice operation

Independent double 2-slice operation to toast 2 slices independently or four at the same time for optimal flexibility and convenience.

Variable width bread slots

Evenly toasts thick or thin slices.

Extra wide and extra deep slot(s)

Extra wide and extra deep slot(s) to fit your bread.
