Highlights

Up to 40 g/min of steam

The Philips steam iron with continuous steam output of up to 40 g/min gives you the perfect amount of steam to efficiently remove all creases.

Steam boost up to 120 g

The iron's 120 g steam boost enables you to easily remove even the most stubborn creases.

Double Active Calc System

The Double Active Calc system of your Philips steam iron prevents scale build-up through anti-scale pills and an easy-to-use calc clean function.

Soft grip

The soft handgrip of this Philips iron allows for comfortable ironing even during longer sessions.

Auto Energy Saving

Automatic Energy Saving. The innovative feature in the Philips steam iron makes sure you get 100% steam power to remove creases thoroughly. At the same time, it saves energy automatically, because it eliminates wasted steam.

SteamGlide soleplate

The SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistance, glides excellently and is easy to clean.

Drip-stop system

Your Philips steam iron's Drip-Stop system lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.
