Highlights

3 shaping discs

To create your favorite pasta shapes, simply attach one of the pasta shaping discs to the pasta maker. Along with the machine come 3 default classic shaping discs for Spaghetti, Penne and Fettuccine.

Easy operation and cleaning

The detachable components of the Philips Viva Pasta & Noodle Maker can be easily installed, dismantled and cleaned.

Long kneading tube

The long kneading tube guarantees an optimal kneading process, resulting in perfect and bouncy dough.

Personalized flavor

By using different types of flour - e.g. whole wheat, durum, spelt - you can make your favorite pasta healthier. You can also add extra flavor by using various vegetable juices such as carrot, beet or spinach.

Fully automatic

The Philips Viva Pasta & Noodle Maker not only enables fast and automatic mixing, kneading and extruding; it also guarantees good texture and taste of the pasta and noodles.

Inspiring recipe book

Accompanying the machine is a recipe book created by culinary experts, providing you with inspiration for fresh homemade and delicious pasta and noodles.

Smart storage

The smart built-in storage for shaping discs and power cord allows you to keep your kitchen tidy and neat at all times.

Unique design stirring bar

The uniquely designed kneading tube is featured with angled multi-pins, the stirring bar ensures the flour and liquid are mixed evenly and thoroughly from every corner in the mixing chamber.

Compact and modern design

It has seamless and compact design. You can always keep it on the countertop or store in the cabinet without occupying a lot space.

Fresh pasta in minutes
