

PHILIPS

Dry iron

Classic

2.0 kg

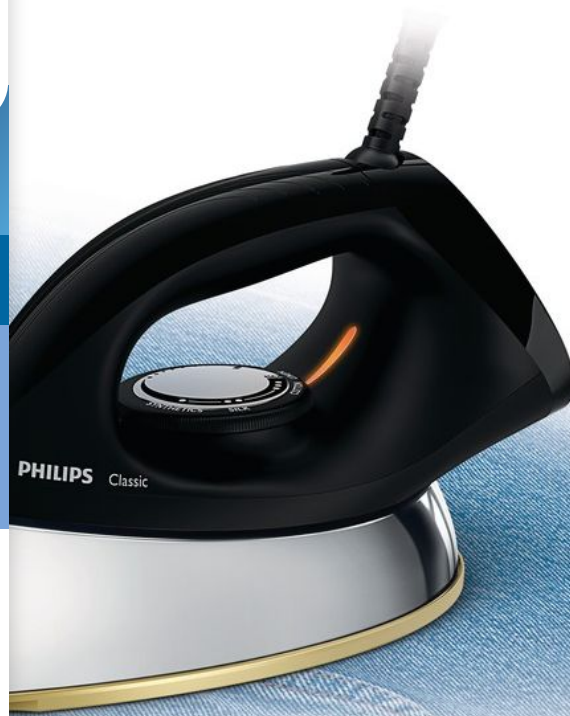

1200 W

1.8 m cord length

Golden Ceramic soleplate

GC188/86

Effective results with minimum effort

Classic is new Philips dry iron which weighs heavier than the traditional dry iron. The additional weight of the iron combined with smooth gliding soleplate make the ironing easier with less effort

Effective ironing results - guaranteed

- 2kg weight of iron helps in making ironing easier

Easy gliding on all fabrics

- Non-stick and non-scratch Golden Ceramic soleplate

Comfortable ironing

- Button groove speeds up ironing along buttons and seams
- Comfortable handle with texturing for easy grip
- Slim tip soleplate reaches easily in tricky areas
- Cord winder for easy cord storage

Full control

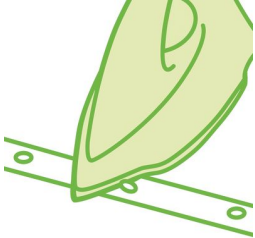

- Easy temperature control
- Temperature light indicates when the iron is hot enough

Highlights

Weight of the iron

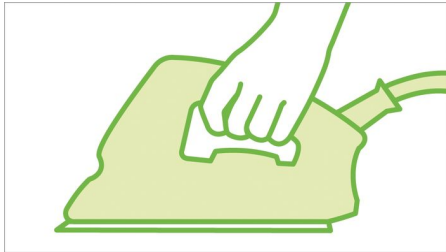

The additional weight of the iron helps in achieving effective ironing results even on the tough garments.

Button groove

Button groove speeds up ironing along buttons and seams.

Comfortable handle

The texturing on the handle of the iron ensures a comfortable and ergonomic grip, so that your hand fits well and does not slip during ironing.

Slim tip soleplate

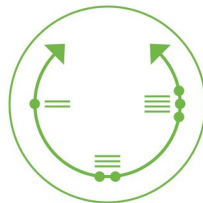

The slim tip of the soleplate allows to reach easily in the most tricky areas, such as between the buttons, when making pleats and in the corners.

Easy storage

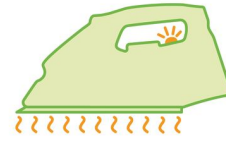

The cord can be wrapped around the heel rest, so that the appliance is easy to store.

Easy temperature control

An elevated temperature control is easy to operate and precise. You will always have the right temperature for your garment.

Temperature light-indicator

Temperature light goes on when the iron is heating up and goes off when the soleplate temperature has reached the set level.

Golden Ceramic soleplate

Non-stick and non-scratch Golden Ceramic soleplate for excellent gliding on all fabrics.
