# Highlights

## 2 speeds + pulse to crush ice

For the best performance blend at high or low speed and even crush ice with the special ice speed setting.

## Strong 550 W power motor

The 550 Watt motor is very powerful. It will chop even the toughest ingredients such as nuts, chocolate or even ice.

## Safety lock on both sides

Locking indication on both sides to ensure the blender jar is positioned and locked in a right and safe way so that anyone can use it.

## Anti spilling jar

A perfect flow of the juice out of the jar ensures no spilling when pouring due to special jar design.

## Integrated power cord storage

Save space with the handy cord storage system under the housing of the blender.

## Add liquid while blending

Add liquid to your recipe in a safe way via the special hole in the jar lid.

## Filter for juice without seeds

Keep seeds out of your juice with this convenient filter for a perfect clear juice.

## Anti-slip rubber feet

This robust blender base comes with anti-slip rubber feet to ensure it does not move, even when you use it for heavy recipes at the highest speed level.

## 2 years warranty

Philips Walita offers a full 2 years global warranty for this product to ensure you have long lifetime blender to use every day.

## Unbreakable jar

Comes with a very strong plastic jar that withstands intensive use.
