Coffee maker

Café Gaia

With glass jug

Black & metal

HD7564/20

Delicious & hot coffee, in our iconic design

Aroma twister for optimal taste in each cup

The Café Gaia coffee maker brings excellent quality, in both coffee quality as in design. The aroma twister circulates the coffee through the jug for an optimal taste in each cup of coffee.

Great taste and aroma

- Aroma twister circulates the coffee for an optimal taste
- A rich coffee flavor due to a concentrated waterflow

Easy to experience

- Water level indication for easy filling
- Swing filter holder for easy filling of coffee
- Cable storage compartment for easy placement in your kitchen
- Drip stop to pour a cup of coffee whenever you like
- Dishwasher-safe parts for easy cleaning

Highlights

Aroma twister

This smart nozzle inside the jug circulates the inflowing coffee evenly through the jug for an optimal and consistent aroma, from the first to the last cup.

Rich coffee flavor

Thanks to the concentrated water flow that is poured onto the coffee bed, optimal flavors are extracted from the coffee grounds.

Drip stop

The drip stop allows you to pour a cup of coffee before the full brewing cycle is finished.

Swing filter holder

The filter holder is opened by swinging it to the side, which makes the filling of coffee easy. The filter holder is also detachable, for easy cleaning.

Cable storage compartment

Spare cable can be stored very easily in the cable compartment in the back of the coffee maker. It enables placing the coffee maker nicely in your kitchen.

Water level indication

Fill the water tank easily and precisely with the water level indication.

Dishwasher-safe parts

The jug and filter holder can be easily cleaned in the dishwasher.

Specifications

Accessories
