- StyleMat for easy steaming
- Integrated garment hanger

Reliable

- Safe to use on all garments
- Steam kills more than 99% of bacteria and dust mites*
- Glove for extra protection during steaming

Highlights

Powerful continuous steam

The EasyTouch steamer is 20% more powerful* compared to predecessor models with 35g/min of powerful continuous steam concentrated through the nozzles, enabling de-wrinkling with only a few strokes

40% larger* steam plate

The steamer is also quipped with a 40% larger steam plate* compared to predecessor models. This allows you to cover more fabric area for more efficient steaming sessions.

Easy Rinse descaling

Prolong the lifetime of your appliance by using the Easy Rinse descaling function regularly.

3 steam settings

Set your preferred steam setting for optimal results on different fabrics. Use low steam for thinner fabrics and a more powerful setting for thicker fabrics and coats.

80% larger filling hole*

The large 1.4L detachable water tank comes with an 80% larger filling hole* compared to predecessor models, enabling easier refilling and cleaning for better tank hygiene.

StyleMat for easy steaming

Premium StyleMat support solution makes it easier to achieve crisp results.

Compact design

Compact design for easy storage.

Adjustable double pole

Integrated with double adjustable poles to hang your garments while using the steamer. It is collapsible for easy storage

Integrated garment hanger

Integrated garment hanger lets you easily hang your garments like shirts, dresses and trousers while using the steamer

Safe to use on all garments

The steamer is safe to use on all fabrics. It is a great solution for delicate fabrics like silk and cashmere.
