## The heart of your juicer

Find matching products on the specifications tab

The juice collector is the part of your juicer where the juice is collected while using the device. Due to the spout that is part of it you can easily pour your juice into a glass.

### **Ease of using Philips spare parts**

- Easily renew your product with original Philips parts

# Highlights

## Easy replacement of product parts

From time to time your product needs a facelift, and with Philips consumer replacement parts to renew your product, it's never been so easy! All this with guaranteed Philips quality.

# Specifications
