Highlights

6 pre-set programs

The Philips SoupMaker has 6 pre-set programs for ultimate versatility. Including puree soup, chunky soup, cold soup, compote, smoothies, and thanks to optimized heating profile, milked based soup. You can also use it as a normal blender.

Manual blending function

Extra manual blending function for your perfect results.

Milk-based soup

A separate optimized heating profile makes cooking milk based soup worry free.

Recipe book included

A recipe book with 38 tasty, inspiring recipes and with expert tips is included. Want a soup cleanse day? Select from our cleanse favorites (marked with a special leaf icon) and pick 3-5 soups for your day.

Soup Pro Technology

Thanks to SoupPro technology soups are blended with the perfect temperature profile combined with blending to ensure your results are smooth and consistent every time.

Large 1.2 L jar

With a 1.2 liter capacity, you can easily make a meal for 2 or appetizers for 4.

Soup in less than 18 minutes

The Z-shaped blade design together with optimized heating profile allows you to create your favorite soups with the perfect texture in 18 minutes or less.

Easy to use

All you need to do is add ingredients and select a program.
