Highlights

OptimalTemp technology

The latest revolution in ironing to deliver the perfect combination of steam and temperature. It's made to ensure you with speedy ironing, great results on tough creases, no setting required and safe on all ironable fabrics. The perfect combination of steam and temperature because: 1) Smart Control Processor setting the right temperature 2) HeatFlow technology enabling an even steam and temperature balance.

100% easy to use

100% easy to use, no adjustment required. You can now iron all ironable garments one after the other, without having to wait or to adjust the iron's temperature dial.

100% safe

100% safe on all fabrics even the most delicate like silk, cashmere, wool, polyester. Independent iron testing institutes have used PerfectCare on the most sensitive ironable garments and they confirmed the excellence of ironing results.

100% fast

100% fast to iron, no sorting required. Iron all your garments with more effective steam.

2400 W for fast heat up

2400 W iron for fast heat up and powerful performance on all your ironable garments.

Steam boost up to 180 g

The steam boost can be used for vertical steaming and tough creases.

Steam up to 45 g/min

Continuous steam output of up to 45 g/min gives you the perfect amount of steam to efficiently remove all creases.

Fabric Shaver

Easily removes fabric pills from all types of garments. All your garments, whether it is your sweater or your blanket, will look like new again.

SteamGlide Plus soleplate

For the best results you need a soleplate that has the optimal balance between gliding and stretching. This is offered through SteamGlide Plus with its easy glide zone and perfect stretch zone.

Quattro Precision Tip

The Quattro Precision Tip of the steam iron allows you to reach into the most difficult to reach areas while ironing. Iron closely around the buttons with the button groove; having a speedy designed shape for better visibility; a Precision SteamBoost area for a focussed shot of steam and the slim tip for delicate ironing complete the Quattro Precision Tip.
