Calc-clean

GC1426/36

Iron 30% faster with steam*

There's so much more to life than household chores, so you want to get them done as quickly as possible. With continuous steam, non-stick coating and a built-in water spray, this iron is designed to remove wrinkles from garments quickly.

Fast crease removal

- Continuous steam up to 18 g/min for fast crease removal
- Steam boost up to 65 g
- Power up to 1400 W enabling constant high steam output
- Non-stick soleplate coating

Easy to use

- Large temperature control dial for different kinds of fabrics
- Integrated water spray to make ironing easier
- Triple precision tip for optimal control and visibility
- Comfortable handle and stable heel rest for extra stability
- Large filling door to prevent water spilling

Longer lifetime

- Calc-clean to extend iron's life by years

Highlights

Calc-clean

Calc-clean to extend iron's life by years

Large filling door

Large filling door to prevent water spilling accidentally.

Power up to 1400 W

Power up to 1400 W enabling constant high steam output.

Comfortable handle and stable

Comfortable handle and stable heel rest for extra stability

Temperature control dial

The large temperature control dial allows you to adjust easily to the right ironing temperature for each kind of fabric, so you can achieve your desired results safely.

Steam boost up to 65 g

Steam output is measured in grams of weight as it leaves the soleplate. The heavier the output the deeper the steam can reach into the fabric layers for longer-lasting crease removal. This steam iron has a 65 g steam boost for removing stubborn creases.

Continuous steam up to 18 g/min

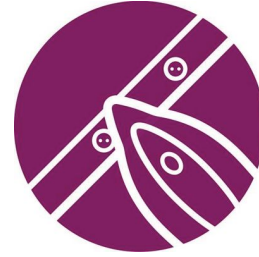

Continuous steam up to 18 g/min for fast crease removal.

Non-stick soleplate

The soleplate of your Philips iron is coated with a special non-stick layer for good gliding performance on all fabrics.

Triple precision tip

The tip of this Philips iron is precise in 3 ways: it has a pointed tip, button groove and a sleek nose design. The triple precision tip enables you to reach even the most tricky areas, e.g. around the buttons or between the pleats.

Integrated water spray

The spray function produces a fine mist that evenly moistens the fabric, making it easier to iron out creases.

Specifications

Fast crease removal

Continuous steam: 18 g/min
Power: 1400 W
Steam boost: 65 g
Water spray

Easy to use

Soleplate name: Non-stick
Water tank capacity: 160 ml
Precision steam tip

Scale management

Descaling and cleaning: Self-clean

Size and weight

Packaging dimensions (W x H x D):
27 x 14.5 x 11.4 cm
Total weight with packaging: 0.95 kg
Weight of iron: 0.78 kg
