

PHILIPS

Vacuum cleaner
nozzle

Turbo brush

FC8043/02

Universal Turbo Brush nozzle

25% better cleaning performance on carpets

The Philips Turbo Brush nozzle FC8043/02 allows deep cleaning of carpets as well as quick removal of hair and fluff from carpets. The rotating brush actively removes small dust particles and hairs, resulting in 25% better performance.

Deep cleaning capacity

- Rotating brush to get deep into the carpet

Can be used with most vacuum cleaners

- Two adaptors make the nozzle universally fitting

Highlights

Rotating brush

Hair and fluff stick to carpets and small dirt particles sink deep into the pile of the carpet. This nozzle with rotating brush actively removes these annoying types of house dirt.

Two adaptors

Two adaptors make it possible to connect the vacuum cleaner nozzle to tubes of most vacuum cleaner brands (Ø 32 - 35 mm).
