Highlights

Pressurised Crema filter

This special crema filter guarantees a long lasting delicious crema

Ground coffee and Easy Serving

With this coffee machine you can choose between ground coffee and Easy Serving Espresso (E.S.E.) pods.

15 bar pump

High pressure ensures that the entire aroma of the ground coffee is always fully extracted

Cup holder

With this practical feature you can store your espresso cups and glasses right on the espresso machine - always within reach and conveniently stored without taking up space.

Ergonomic in day to day

For refilling the coffee powder or water, or emptying the filter or the drip tray, all compartments are directly accessible for maximum convenience.

cappuccinatore
semi-automatic milk management

Classic milk frother

This Saeco espresso machine comes with the classic milk frother, which baristas call "Pannarello". It dispenses steam and needs to be immersed in the milk to prepare gorgeous milk foam. Unleash your inner barista by preparing your delicious milk specialities the traditional way!
