# Highlights

## Strength select function

Prepare your favorite cup of coffee by adjusting the strength and intensity of its taste. With the strength select function on your SENSEO®, you can choose between strong short and mild long coffee.

## Immediate auto shut-off

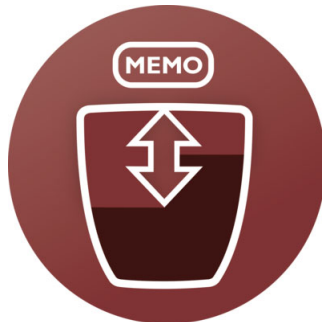

Your SENSEO® coffee machine switches off automatically right after brewing, allowing you to save energy.

## Direct start

The direct start function allows you to turn on your SENSEO® coffee machine and brew your coffee at only one touch of a button.

## Personal coffee memory

You can program the coffeemaker to brew the amount of coffee you prefer and adjust the coffee quantity up to 145ml. Feel free to experiment and see what you like best.

## Removable drip tray

By adding or removing the drip tray you can adjust your Philips SENSEO® coffeemaker to the size of your favorite cup or mug.
