Senseo®

PHILIPS

Highlights

Decalcification indicator

The Philips coffee machine will remind you when to descale your appliance. Regular descaling with the specially developed SENSEO® descaler ensures your coffee tastes great and prevents limescale from tap water.

Adjustable spout

By raising or lowering the spout you can adjust your SENSEO® coffee machine to the size of your favourite cup or mug.

Automatic shut-off

Your SENSEO® coffee machine automatically switches off after 30 minutes, allowing you to save energy.

Variety of blends and flavours

SENSEO® offers you a large variety of coffee blends and flavours, each with its own distinctive taste to fit your personal preference.
