Highlights

Strength select function

Prepare your favorite cup of coffee by adjusting the strength and intensity of its taste. With the strength select function on your SENSEO®, you can choose between strong short and mild long coffee.

Delicious coffee crema layer

The fine SENSEO® coffee selection and the unique SENSEO® brewing system make sure that your perfect cup of coffee always comes with a rich and delicious coffee foam layer - proof of premium taste and quality.

Decalcification indicator

The SENSEO® coffee maker reminds you when to descale. Descalcify with SENSEO® Descale every 3 months to keep your appliance lime scale free; ensuring: maximal in-cup volume; perfect coffee temperature, and; the appliance's durability. Do not use vinegar, since it might damage your SENSEO® appliance and affects the coffee taste.

Adjustable spout

By raising or lowering the spout you can adjust your SENSEO® coffee machine to the size of your favorite cup or mug.

Intuitive controls

Operate your Philips SENSEO® coffee machine in a modern and intuitive way with the unique and smart guided controls. The LED indicators guide you through the different functions of your coffeemaker to make your coffee experience even more convenient.

Variety of blends and flavors

SENSEO® has a vast variety of different coffee blends and flavors. Each blend has its own distinctive taste to fit your personal preference.

1 or 2 cups at the same time

Prepare 1 or 2 cups of your delicious SENSEO® coffee in less than a minute.
