Highlights

OptimalTemp

One perfect setting for all your clothes. Always the perfect combination of steam and temperature because: 1) Advanced Smart Control Processor sets the perfect combination of steam and temperature 2) The ultra-powerful cyclonic steam chamber delivers powerful constant steam for all your fabrics

100% easy to use

100% easy to use, no adjustment required. You can now iron all ironable garments one after the other, without having to wait or to adjust the iron's temperature dial.

100% fast

100% fast on the toughest fabrics, no other steam generator is faster from start to finish.

100% safe

100% safe on all fabrics even the most delicate like silk, cashmere, wool, polyester. Independent iron testing institutes have used

PerfectCare on the most sensitive ironable garments and they confirmed excellent ironing results.

Tested and approved:

This iron is tested and approved by independent textile expert institutes, such as DWI, IWTO and Woolmark, for its excellent ironing performance. The Woolmark Apparel Care programme helps consumers to identify quality laundry products that are approved by The Woolmark Company for use on wool products. Philips, with its exclusive OptimalTEMP technology, is so far the only brand to be certified with the Gold standard from Woolmark. You can be confident that Woolmark-approved apparel care products are ideal for any wool garments.

Detachable watertank, 5.5 bar

1.5 litre detachable water tank for up to 2 hours of ironing without refilling.

Easy De-calc

Ultra-long-lasting steam performance: Philips' exclusive Easy De-Calc function provides the ideal way to get rid of limescale and extend the lifetime of your steam generator iron. Your iron will remind you to de-calc with light and sound. When your appliance is cold, simply open the Easy De-Calc knob and collect the dirty water and limescale in a cup.

Lock your iron securely

Lock your Philips steam iron securely and carry your pressurised steam generator easily.
