PHILIPS
sense and simplicity

Highlights

Removable digital timer

Allows easy pre-setting of the frying time. The timer can be removed from the fryer housing and taken along; you don't have to keep an eye on your food anymore!

Auto-shut off switch

Ultimate safety: fryer switches automatically off 120 minutes after the last frying session.

Removable inner bowl

Removable inner bowl for easy oil pouring and cleaning

Removable multi-layer filter

The Philips deep fryer reduces unwanted frying smells and is dishwasher. There is no need for replacement.

Rise and fall frying basket

Rise and fall frying basket prevents oil splashes

Additional oil container

Ideal for oil filtering and storage. Filtering keeps the oil cleaner - which it is better for your health - and longer-lasting. The container can also be used for storing used oil.
