- Ceramic soleplate for better gliding performance
- Smart Calc clean system with sound&light Calc Clean reminder
- 1.2 L water tank and refill anytime during ironing
- Compact size and light weight for easy storage
- Max 4.3 bar pump pressure

Highlights

Max 4.3 bar pump pressure

The more steam, the faster the ironing. Consistent powerful steam is generated which penetrates deep inside the garments making ironing faster and better. Steam power can be regulated to fit your needs.

Smart Calc Clean system

Smart Calc Clean system is an integrated descaling and cleaning function to protect your steam generator iron. After each about 10 hour ironing, you will be reminded by the sound and light of your steam generator iron to perform calc clean process. The Calc Clean Container will provide you the convenience during the Calc Clean process, by just resting your iron on the container without holding your iron to stress your waist. After cleaning process, all the dirty water is collected in the container, your steam generator iron is ready to use again.

Steam ready in 2 minutes

Steam is ready to use in 2min and can be refilled at anytime during ironing.

Compact size and light weight

Thanks to the revolutionary ProVelocity technology, we made your steam generator iron more compact than ever before. The compact steam generator fits easily on your ironing board making your ironing more convenient. In addition, your steam generator takes much less storage space.

1.2 L water tank

SpeedCare steam generator has 1.2 L water tank capacity to allow your iron more than 1 hour, it helps you reduce the frequency of refilling everytime for the big laundry loads.

The technology will also allow you refill the water tank during ironing without cooling down the appliance for 2 hours waiting to refill.

Triple precision tip

The tip of this Philips iron is precise in 3 ways: it has a pointed tip, button groove and a sleek design of the nose. Triple Precision tip enables you to reach even into the most tricky areas, e.g. around the buttons or between the pleats.

Ceramic soleplate

Ceramic soleplate is scratch resistant, glides well and easy to clean.

Continuous steam

The more steam, the faster the ironing. The unique technology used in a Philips steam generator iron generates powerful steam making ironing easier, better and faster.
