Highlights

Intuitive user interface

Short or long coffee with one touch, your favourite length easily stored with the memo option – it's all easy with the wide display and its self explanatory icons.

Easy frontal access

All machine elements you need to reach during your day-by-day enjoyment (water, coffeebeans and coffee grounds container, drip tray, removable brewing group) are completely independent and reachable either from the front or from the top.

Energy efficient

This feature keeps the power consumption to a minimum. In fact, less than 1 Watt per hour is needed in stand-by mode, automatic after 1hour, saving resources and money

Sound damping system

Special insulation and super-silent ceramic grinders preserve the peaceful kitchen atmosphere

Ceramic grinders

These high-tech grinders beat the competition's steel grinders on many levels: always perfectly Italian taste because of consistently accurate grinding without overheating, supreme longevity, super-silent operation.

Pre-brewing system

Pre-brewing for even more enjoyment. Thanks to the Saeco Pre-brewing Technology, the coffee grounds are moistened before the actual brewing process – ensuring that the aroma can unfold even better.

Removable brewing group

The brewing group is at the heart of every fully automatic coffee machine and it should always be kept clean. A task that doesn't get any more convenient than with a Saeco: remove, rinse and re-insert – finished.

Autocleaning and de-scaling

Easy to use includes easy maintainance: Thanks to the automatic cleaning and de-scaling cycles, you are guaranteed perfect enjoyment every day and maximum longevity for your machine.

Specifications

Perfect Espresso
