Steam iron

1900 series

Spray

GC1905/01

Faster – from start to finish

Iron with fast water filling and emptying

There's so much more to life than household chores, so you want to get them done as quickly as possible. With its fast filling and emptying hole, pointed tip, and smooth-gliding soleplate, this Philips quality iron is simply built for speed

Faster set-up and storage

- Easy and super fast filling of the watertank
- Easy and super fast emptying of the watertank

Easily removes creases

- A fine spray evenly moistens the fabric
- Continuous steam output up to 13 g/min

Easy gliding on all fabrics

- Aluminium soleplate for easy gliding on all fabrics

Highlights

Easy and super fast filling

Easy and super fast filling of the watertank thanks to the huge filling hole, and the sideways opening door of the Philips iron.

Easy and super fast emptying

Easy and super fast emptying of the watertank thanks to the huge emptying hole, and the sideways opening door.

Spray

The spray function produces a fine mist that evenly moistens the fabric, making it easier to iron out creases.

Continuous steam output

Continuous steam output up to 13 g/min

Aluminium soleplate

The durable aluminium soleplate easily glides over all fabrics, is scratch resistant and easy to clean.

Specifications

Fast & powerful crease removal
