- Power up to 2000 W enabling constant high steam output

Variety of settings

- 4 steam settings for better results on different fabrics

Highlights

Easy water filling

Wider hole for easy water filling*

220 ml water tank

Less refilling with the extra-large 220 ml water tank so you can iron more clothes in one go.

Non-stick soleplate

The soleplate of your Philips iron is coated with a special non-stick layer for good gliding performance on all fabrics.

Larger soleplate

Larger soleplate to cover more in one go*

Triple precision tip

The tip of this Philips iron is precise in 3 ways: it has a pointed tip, button groove and a sleek design of the nose. Triple Precision tip enables you to reach even into the most tricky areas, e.g. around the buttons or between the pleats.

Continuous steam up to 25g/min

Continuous steam up to 25g/min for good crease removal.

Steam boost up to 90 g

Steam boost up to 90 g to remove tough creases

Integrated water spray

The spray function produces a fine mist that evenly moistens the fabric, making it easier to iron out creases.

Power up to 2000 W

Power up to 2000 W enables constant high steam output.

4 steam settings

4 steam settings for better results on different fabrics

Calc Clean slider

This steam iron can be used with normal tap water and the calc clean slider makes it easy to remove any built-up scale out of your iron. To maintain the performance of your Philips steam iron, you should use this scale clean function once a month when using normal tap water.
