# Highlights

## Steam up to 45 g/min

Continuous steam output of up to 45 g/min gives you the perfect amount of steam to efficiently remove all creases.

## Built-In calc container

Our specially designed and built-in calc container collects calc particles during ironing. The Self Clean process flushes the calc out of the iron to maintain consistent ironing performance day after day.

## Self-Clean

In addition to the built-in calc container, the self-clean function of your soleplate will remove the most stubborn calc. A clean soleplate will improve your steam performance and ironing results.

## Auto Steam Control

Auto Steam Control takes away your worry for selecting the amount of steam you need. Just select the temperature for the garments you're ironing and off you go.

## Triple Precision Tip

The pointed tip on the Philips Azur Performer is very precise in 3 ways: it has a pointed tip, button groove and a sleek design of the nose. The Triple Precision tip enables you to reach even into the most tricky areas, e.g. around the buttons or between the pleats.

## Optimal weight

The iron has the optimal weight to move easily over any garment, making ironing less of a hassle and easy to constantly place the iron on the board and back to its heel rest.

## T-ionicGlide soleplate

T-ionicGlide is our best gliding and scratch-resistant, 5-star rated soleplate with integrated Titanium-Oxide layer.

## Auto shut-off

The electronic shut-off automatically switches the iron off when it is left unattended or tips over.

## Philips Green Logo

Philips Green Products can reduce costs, energy consumption and CO2 emissions. How? They offer a significant environmental improvement in one or more of the Philips Green Focal Areas – Energy efficiency, Packaging, Hazardous substances, Weight, Recycling and disposal and Lifetime reliability.

# Specifications

## Easy to use

Water tank capacity: 300 ml  
Power cord length: 2 m  
Safety auto off  
Drip stop  
Soft grip

## Fast & powerful crease removal

Continuous steam output: 45 g/min  
Power: 2400 W  
Steam boost: 220 g  
Soleplate: T-ionicGlide

## Scale management

Descaling and cleaning: Built-in calc container, Self clean

## Size and weight

Packaging dimensions (WxHxL):  
34,1\*30\*36 cm  
Product dimensions (WxHxL): 16\*32,6\*14 cm  
Total weight with packaging: 1,52 kg  
Weight of iron + base: 1,75 kg
