

Faster ironing

With extra steam

This steam generator makes your ironing experience faster thanks to extra powerful continuous steam and more convenient thanks to a 1.1L detachable water tank.

Compact & convenient

- 1.1L detachable water tank
- · Lightweight and compact for easy use and storage

Fast & powerful

- $\,\cdot\,$ Calc-clean container included no cartridges, no extra cost
- · Ceramic soleplate for durability and easy gliding
- · Powerful steam for ultimate crease removal

Highlights

Detachable 1,1L water tank

The watertank can be removed to be refilled easily under the tap. The large filling hole makes the refilling fast. Thanks to the 1.1 L watertank capacity, you can iron up to 2 hours continuously without any refills.

Smart descaling

Our built in descaling system, Smart Calc Clean reminds you when you need to descale. It includes a container to make descaling easy. This means no cartridges are required and no additional costs.

Ultra-powerful steam

Strong, continuous steam tackles even the thickest fabrics with ease. Watch stubborn creases melt away with an extra steam boost

just where you need it. This extra steam is perfect for vertical steaming to refresh clothes and curtains, too.

Compact and convenient

The lightweight, compact size is perfect for storage and fits conveniently on your ironing board. Exclusive ProVelocity technology makes our steam generators smaller and more compact than ever.

Ceramic soleplate

Our durable ceramic soleplate glides well on all garments. It's non-stick, scratch-resistant and simple to keep clean.
