

PHILIPS

Steam iron

EasySpeed

Steam boost up to 90 g

Non-stick soleplate

Anti-scale

GC1740/26

Easy and effective

4 steam settings for better ironing results

EasySpeed iron makes your ironing easy and more effective with lots of steam to remove tough creases, non-stick soleplate for easy gliding on all fabrics and Calc-Clean function for durable performance.

Longer lifetime

- Calc Clean slider for durable steam performance

Ease of use

- 220 ml water tank for longer ironing sessions
- Larger soleplate to cover more in one go*
- Triple precision tip to reach the most tricky areas
- Wider hole for easy water filling*
- Non-stick soleplate for easy and fast gliding on all fabrics

Effective results

- Integrated water spray evenly moistens the fabric
- Steam boost up to 90 g to remove tough creases
- Continuous steam up to 25 g/min for good crease removal
- Power up to 2000 W, enabling constant high-steam output

Variety of settings

- 4 steam settings for better results on different fabrics

Highlights

220 ml water tank

Less frequent refilling with the extra-large, 220 ml water tank, so you can iron more clothes in one go.

4 steam settings

4 steam settings for better results on different fabrics

Calc Clean slider

This steam iron can be used with normal tap water and the calc clean slider makes it easy to remove any built-up scale from your iron. To maintain the performance of your Philips steam iron, you should use this scale clean function once a month when using normal tap water.

Continuous steam up to 25 g/min

Continuous steam up to 25 g/min for good crease removal.

Integrated water spray

The spray function produces a fine mist that evenly moistens the fabric, making it easier to iron out creases.

Larger soleplate

Larger soleplate to cover more in one go*

Non-stick soleplate

The soleplate of your Philips iron is coated with a special non-stick layer for good gliding performance on all fabrics.

Power up to 2000 W

Power up to 2000 W enables constant high steam output.

Steam boost up to 90 g

Steam boost up to 90 g to remove tough creases

Triple precision tip

The tip of this Philips iron is precise in 3 ways: it has a pointed tip, button groove and a sleek nose design. The triple precision tip enables you to reach even the most tricky areas, e.g. around the buttons or between the pleats.

Easy water filling

Wider hole for easy water filling*
