Highlights

Strength select function

Prepare your favorite cup of coffee by adjusting the strength and intensity of its taste. With the strength select function on your SENSEO®, you can choose between strong short and mild long coffee.

Immediate auto shut-off

Your SENSEO® coffee machine switches off automatically right after brewing, allowing you to save energy.

Direct start

The direct start function allows you to turn on your SENSEO® coffee machine and brew your coffee at only one touch of a button.

Variety of blends and flavors

SENSEO® offers you a large variety of coffee blends and flavors, each with its own distinctive taste to fit your personal preference.

Removable drip tray

By adding or removing the drip tray you can adjust your Philips SENSEO® coffeemaker to the size of your favorite cup or mug.

Compact and chic design

This ultra chic new coffee machine is the most compact model of the whole SENSEO® range and has been designed to perfectly fit into your kitchen space.
