More Life In Every Bowl

Smart and Automatic Cooking

Nutrition is the most important element to stay healthy. Philips' new rice cookers come with smart and automatic cooking programs that better preserve the freshness and nutrients in every bowl of rice.

Smart and Automatic Cooking

- Dedicated program for congee cooking
- Top and bottom heating cooks rice more evenly
- Steam tray for healthy cooking
- Automatic keep warm setting keeps rice fresh for 12 hours

Easy to operate

- Advanced lid design for easy and safe access

The ultimate in convenience

- Easy-to-clean non-stick inner pot
- Swing handle for easy carrying
- Easy-to-read water level indicator
- Detachable power cord for convenient storage
