PHILIPS

Saeco, a Philips brand

Highlights

100% Ceramic grinders

Our grinders are made of high-tech ceramic: exceptionally hard and precise. Fresh beans are gently ground, without risk of overheating: extracting all the best flavors and aroma, delivering a superior coffee taste for at least 20,000 cups.

8 User profiles

Everyone's personalized favorites can be saved in up to 8 user profiles using the convenient display

External Endorsement

Saeco technology allows you to extract the best flavors from your favorite coffee beans for intense and authentic aroma and taste (roasted, chocolaty, nutty, fruity, flowery, spicy)

High-Performance boiler

Flawless coffee calls for perfect temperatures. Our high performance Thermoblock is made with light aluminum and a stainless steel body, which heats up to the optimal temperatures, fast

AquaClean Filter

AquaClean

AquaClean is our patented water filter, designed to improve the quality of your coffee by purifying water. It also prevents scale buildup in the water circuit of your coffee machine: make up to 5000* cups without descaling by replacing the filter regularly.

Automatic Cleaning Program

Our innovative automatic cleaning system HygieSteam removes 99.99% of milk residues with one touch

LatteDuo

Prepare and enjoy single or double serving of any coffee recipe with one touch, including Cappuccino or Latte Macchiato. All in one go.

LattePerfetto

LattePerfetto for dense milk foam with fine texture

Sealed Bean Container

Our biggest bean container stores up to 450g of fresh beans and is equipped with a special sealing AromaSeal for long lasting freshness of your coffee beans.

IF Design Award

The iF DESIGN AWARD is among the most prestigious and largest design competitions in the world

Saeco won an iF Design award 2018: since 1953, a seal of excellence, a testimony of quality and a symbol of trust for users. This prestigious prize is awarded every year by iF International Forum Design GmbH in Hannover (Germany), the world's oldest independent design organization.

Specifications

Accessories
