### Create your own favourite pasta and noodles

- Free recipe book full of inspiring ideas
- Add your favorite ingredients for your own flavors
- 4 classic pasta types including spaghetti, penne, fettuccine

### Designed to make fresh and tasty pasta and noodles

- The long kneading tube makes smooth, bouncy dough
- A uniquely designed stirring bar to mix the dough

# Highlights

## Easy operation and cleaning

The detachable components of the Philips Viva Pasta & Noodle Maker can be easily installed, dismantled and cleaned.

## Fresh pasta in minutes

Homemade pasta made easier. Now, with the fully automatic Philips Pasta & Noodle Maker, you can make fresh pasta and noodles much more often. Your new pasta maker does all the hard work for you.

## Fully automatic

The Philips Viva Pasta & Noodle Maker not only enables fast and automatic mixing, kneading and extruding; it also guarantees good texture and taste of the pasta and noodles.

## Smart storage

The smart built-in storage for shaping discs and power cord allows you to keep your kitchen tidy and neat at all times.

## Compact and modern design

It has seamless and compact design. You can always keep it on the countertop or store in the cabinet without occupying a lot space.

## Inspiring recipe book

Accompanying the machine is a recipe book created by culinary experts, providing you with inspiration for fresh homemade and delicious pasta and noodles.

## Personalized flavor

By using different types of flour - e.g. whole wheat, durum, spelt - you can make your favorite pasta healthier. You can also add extra flavor by using various vegetable juices such as carrot, beet or spinach.

## 4 shaping mouths

To create your favorite pasta shapes, simply attach one of the pasta shaping discs to the pasta maker. With the machine there are 4 default classic shaping discs for Spaghetti, Penne, Fettuccini and Lasagna. The specialist shaping discs enable double extrusion process to assure smooth pasta and noodles consistently.

## Long kneading tube

The long kneading tube guarantees an optimal kneading process, resulting in perfect and bouncy dough.

## Unique design stirring bar

The uniquely designed kneading tube is featured with angled multi-pins, the stirring bar ensures the flour and liquid are mixed evenly and thoroughly from every corner in the mixing chamber.
