

PHILIPS

Rice cooker

HD4702/85

More life in every bowl

Smart and automatic rice cooking

Nutrition is the most important element to keep healthy. Philips' automatic rice cooking programs preserves the freshness and nutrients in every bowl of rice.

Smart and automatic cooking

- Automatic keep warm keeps rice fresh for 12 hours
- Automatic rice cooking

Easy to operate

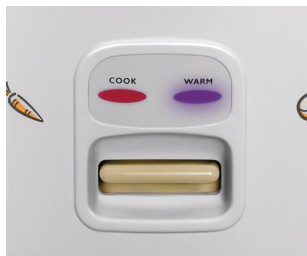

- One-touch button for easy control

The ultimate in convenience

- Detachable power cord for convenient storage
- Integrated handle
- Easy-to-clean non-stick inner pot
- Easy-to-read water level indicator

Highlights

Automatic 12 hours keep warm

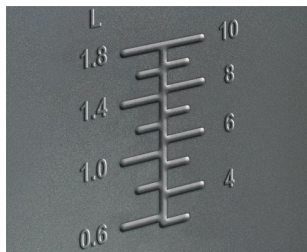

Use the keep warm function to keep rice warm for a longer period of time. When the cooking process is finished, the rice cooker automatically switches to the keepwarm mode

non-stick inner pot

Specially coated with the non-stick material which is more durable and easy to clean

water level indicator

Clear water level marking shows capacity and rice-water ratio

Intergrated handle

Convenient to carry the rice cooker away from the kitchen, or to serve rice in dining room

One-touch button

One press button to control cook or keep warm, with clear light on the panel to show cooking status
