Highlights

Delicious cappuccino

Enjoy your delicious SENSEO® cappuccino, a rich combination of coffee and fresh milk. Each cup is crowned with a creamy milk foam layer, just like the ones you can enjoy in coffee bars!

Integrated milk frother

The unique patented milk frother of the coffeemaker produces steamed milk for a distinguished frothy creamy top. Simply pour fresh milk into the milk container, push the button and experience an easy, convenient and perfectly prepared frothed milk drinks!

One-button operation

With this coffee pod machine you can easily prepare one or two cups of coffee with the simple one button operation.

Decalcification indicator

The SENSEO® coffee maker reminds you when to descale. Descal with SENSEO® Descal every 3 months to keep your appliance lime scale free; ensuring: maximal in-cup volume; perfect coffee temperature, and; the appliance's durability. Do not use vinegar, since it might damage your SENSEO® appliance and affects the coffee taste.

Variety of blends and flavors

SENSEO® offers you a large variety of coffee blends and flavors, each with its own distinctive taste to fit your personal preference.
