#### **Various type and flavor of pasta**

- A free recipe book with over 20 different pasta dishes

# Highlights

## Automatic process

After choosing program and pressing start button, the machine automatically mixes, kneads and extrudes in one go.

## Personalized taste

By using different types of flour and adding different ingredients like eggs, herbs or spinach and carrot juice, you can make various types and flavors of pasta or noodle.

## Recipe book

Accompanying the machine is a colorful recipe book which provides ingredient lists for 24 different types or flavors of pasta and recipes for over 20 pasta / noodle dishes.

## Auto-weighing

The unique designed built-in auto-weighing function weighs the flour and indicates the correct amount of liquid automatically, making the whole process easier and more convenient than ever.

## Various shaping discs

With the machine there are 8 default shaping discs for Spaghetti, Penne, Fettuccini, Lasagna, Tagliatelles, Pappardelle, angel hair and thick spaghetti.

## Recipe book

Accompanying with the machine there is a colorful recipe book provides ingredient list for different types or flavors of pasta and recipe for over 20 pasta / noodle dishes

## Powerful and fast extrusion

With advanced engineering and robust material and build of the machine, the Philips Pasta and noodle maker can exert 1600 lb force on the dough during extrusion, which not only enables a fast making process in just 10 minutes, but also guarantees perfect texture and taste of the pasta or noodle.

## IF DESIGN AWARD

IF award-winning products and projects, concepts and more, selected by the top names in design now aEach year, iF International Forum Design GmbH organizes one of the world's most celebrated and valued design competitions: the iF DESIGN AWARD.

Recognized as a symbol of design excellence around the world, the iF DESIGN AWARD welcomes over 5,000 submissions from 70 countries every year.

# Specifications

## Accessories

**Included:** Cleaning tool, Measuring cup,  
Recipe booklet

## Technical specifications

**Power:** 200 W

**Cord length:** 1.2 m

**Frequency:** 60 Hz

**Voltage:** 220-240 V

## Weight and dimensions

**Dimensions of product (LxWxH):** 343 x 215 x  
315 mm

**Weight of product:** 6.9 kg

**Weight incl. packaging:** 10.2 kg

## Country of origin

**Made in:** China

## Design

**Color of control panel:** Silver

**Color:** Cashmere grey

## Finishing

**Material accessories:** POM

**Material of main body:** Plastic

## General specifications

**Number of shaping mouths:** 8

**Prefix programs:** 2

**Product features:** LED display
