Highlights

OptimalTemp Technology

Optimal Temp technology is the only technology which maintains the perfect combination of temperature and steam so you no longer need to adjust the temperature when ironing different fabrics. The perfect combination of steam and temperature because: 1) Smart Control Processor setting the right temperature. 2) HeatFlow technology enabling an even steam and temperature balance.

100% easy to use

100% easy to use, no adjustment required. You can now iron all ironable garments one after the other, without having to wait or to adjust the iron's temperature dial.

100% fast

100% fast on the toughest fabrics, no other steam generator is faster from start to finish.

100% safe

100% safe on all fabrics even the most delicate like silk, cashmere, wool, polyester. Independent iron testing institutes have used PerfectCare on the most sensitive ironable garments and they confirmed the excellence of ironing results.

Tested & approved by experts:

This iron is tested and approved by independent textile experts institutes.

Detachable watertank, 6 bar

1.5 litre detachable water tank for up to 2 hours of ironing without refilling.

Easy De-Calc

Easy De-Calc, hassle free & effective scale removal to extend the life of your steam generator.

Lock your iron securely

Lock your Philips steam iron securely and carry your pressurised steam generator easily.
