Highlights

Non-stick grilling plate

Non-stick surfaces allow you to cook without any added oil, so you only taste the flavour of the food

Adjustable thermostat

Wide temperature range (70°C to 230°C) so you can choose the ideal temperature for each ingredient, ensuring perfect results for all food

Recipe book included

A recipe book with more than 30 tasty, inspiring recipes and with expert tips is included.

Sloped grill body

Sloped grill makes the excess fat flow into the grease tray, therefore decreasing the smell and smoke

Aroma infuser

Aroma infuser to enrich the taste of food with natural flavours of herbs or wine

Ribbed-and-smooth grill plate

The versatile grill plate gives you the choice of cooking with either a ribbed or smooth grilling surface, so you can enjoy your food the way you like it. The smooth area is suitable for stir-frying and grilling small pieces of food. The ribbed surface creates that irresistible flame-grilled effect.

Dishwasher-safe grilling plate

Dishwasher-safe plate, which is detachable, enables easy cleaning

Hot steam grilling

Grilling with hot steam to enjoy grilled food that's more tender

Constant heat

High power for heating up fast and keeping a constant heat
