Faster from start to finish

Speeds up your ironing in 5 ways

Make ironing faster from start to finish: quick heat-up, XL water hole, powerful bursts of steam to tackle tough creases, durable ceramic soleplate for quick gliding, and our drip-stop system. That's five ways to speed up your ironing.

Fast ironing

- 2400 W for quick heat-up in 30 seconds
- Up to 180 g steam boost blasts stubborn creases
- Steam output up to 40 g/min for strong, steady performance
- Extra-large water hole for fast filling and emptying
- Triple precision tip for optimal control and visibility

Easy ironing

- Heat resistant box for immediate storage after ironing
- Durable ceramic soleplate for easy gliding
- Drip-stop system keeps garments spotless while ironing
- Less refilling with extra-large 300 ml water tank
- Easy cord wrapping with clip for quick, tidy storage

Long lasting performance

- Calc-clean slider for long-lasting steam performance

Highlights

2400 W to heat up quickly

Delivers a fast warm-up in 30 seconds for a quick start.

Steam boost up to 180 g

Penetrates deeper into fabrics to easily remove stubborn creases.

Up to 40 g/min of steam

Strong and consistent steam output to remove creases faster.

XL water filling hole

An extra-large opening for filling the water tank makes quick work of refills and emptying.

Triple precision tip

The tip is precise in 3 ways. It has a pointed tip, button groove and sleek nose design. Our triple precision tip helps you handle even the hardest-to-iron spots, like buttons and pleats.

Heat resistant storage box

This heat resistant storage box is designed for storing the hot iron easily and immediately after use.

Ceramic soleplate

Our durable ceramic soleplate glides well on any ironable garment. It's non-stick, scratch resistant and simple to keep clean.

Drip-stop system

Our drip-stop system prevents leakage to avoid stains from water droplets — and iron with confidence at any temperature.

300 ml water tank

Fewer refills are required thanks to a large 300 ml water tank. So you can iron more clothes in one go.

Cord wrapping with clip

The cord is easily wrapped around the base of the iron and held in place with a clip for tidy storage.

Specifications

Fast crease removal

Continuous steam: 40 g/min

Power: 2400 W

Steam boost: 180 g

Variable steam levels

Vertical steam

Water spray

Easy to use

Soleplate name: Ceramic

Water tank capacity: 300 ml

Cord freedom (swivel): 360 degree cord freedom

Power cord length: 2 m

Precision steam tip

Tap water suitable

Drip stop

Extra large filling hole

Scale management

Descaling and cleaning: Self clean

Storage

Cord storage: Cord clip

Storage solution: Heat resistant box

Size and weight

Weight of iron: 1.150 kg

Guarantee

2 year worldwide guarantee
