Maximum performance and filtration

- 80% longer lifetime than traditional vacuum bags
- XXL 5 L capacity and extreme suction even as the bag fills up
- Multi-layer material for excellent filtration
- TÜV-certified for trusted results

Top quality and hygiene

- Hygienic closing system for easy disposal
- High-resistance synthetic material, made in Sweden

Highlights

Universal standard

The original Philips s-bag[®] can be used for all Philips and Electrolux Group (Electrolux, AEG, Volta, Tornado) vacuum cleaners with bag. Skip the hassle of endlessly searching for a dust bag, simply look for the s-bag[®] logo.

Ultra Long lasting performance

s-bag[®] Ultra Long Performance lasts 80% longer than traditional vacuum bags. The special synthetic material of the bag and the 5 L XXL capacity ensure optimum airflow to maintain the suction power of your cleaner for much longer.

XXL 5 L for extreme suction

The new high performance synthetic material of this bag ensures optimum air flow and gives your vacuum cleaner extreme suction power during the entire lifetime of the vacuum bag. Use the XXL 5 L capacity of the bag and get extreme suction power even as the bag fills up!

Top filtration capacity

Thanks to excellent filtration in the multi-layer material, even the finest particles are captured, contributing to a better cleaning result and clean air quality in your home, and helping you get rid of airborne particles such as allergens.
