Iron faster with 2 x more steam*

Guaranteed not to burn*

Compact and lightweight, providing powerful continuous steam, the PerfectCare Compact steam generator iron makes fast work of all your ironing.

No temperature setting needed; no burning, guaranteed

- OptimalTEMP technology, no temperature settings required
- No burns – guaranteed

Fast and powerful

- Powerful steam for ultimate crease removal
- SteamGlide Plus soleplate for ultimate gliding
- Calc-clean container included — no cartridges, no extra cost

Compact and convenient

- Lightweight and compact for easy use and storage
- Large tank for long use
- Carry lock for safe and easy transport
- Automatic shut-off when the iron is left unattended

Highlights

Ultra-powerful steam

Strong, continuous steam tackles even the thickest fabrics with ease. Watch stubborn creases melt away with an extra steam boost just where you need it. This extra steam is perfect for vertical steaming to refresh clothes and curtains, too.

No temperature setting needed

Iron everything from jeans to silk without adjusting the temperature. Thanks to OptimalTEMP, no dial or settings are needed so there's no more pre-sorting the laundry, or waiting for the iron to heat up and cool down. You're ready for any fabric, any time.

No burns – guaranteed

Thanks to OptimalTEMP technology, we guarantee that this iron will never cause burns to any ironable fabric. You can even leave it resting face down on your clothes or ironing board. No burns, no shine. Guaranteed.

1.3-l water tank

A 1.3-litre transparent tank gives you more than 1 hour of continuous use. See clearly how much water is left and refill easily at any time under the tap through the large filling door.

Smart descaling

Our built-in descaling system, Smart Calc Clean, reminds you when you need to descale. It also includes a container to make descaling easy. This means no cartridges are required and there are no additional costs.

Compact and convenient

The lightweight, compact size is perfect for storage and fits conveniently on your ironing board. Exclusive ProVelocity technology makes our steam generators smaller and more compact than ever.

SteamGlide Plus soleplate

Our exclusive SteamGlide Plus soleplate – with its advanced titanium layer and 6-layer coating – delivers ultimate gliding performance over any fabric. Non-stick, scratch-resistant and easy to keep clean.

Safety carry lock

Lock your iron securely to the base station for easy carrying around the house and to reduce the risk of accidentally touching the hot soleplate.

Auto shut-off

The automatic shut-off function automatically switches off your steam generator iron if it has not been used for a few minutes. This saves energy and gives you peace of mind.

Specifications

Technology

For all ironable fabrics
No burns
No temperature settings needed
OptimalTEMP technology
ProVelocity steam engine

Fast crease removal

Continuous steam: Up to 110 g/min
Power: 2400 W
Pressure: Max 5.5-bar pump
Ready to use: 2 min
Steam boost: Up to 280 g
Voltage: 220-240 V

Easy to use

Safe on all ironable fabrics: Even delicates like silk
Soleplate gliding performance: 5 stars
Soleplate name: SteamGlide Plus

Water tank capacity: 1300 ml
Hose length: 1.6 m
Power cord length: 1.65 m
Ready to use: Light indicator, Sound indicator
