Faster from start to finish

Speeds up your ironing in 5 ways

Make ironing faster from start to finish: quick heat-up, XL water hole, powerful bursts of steam to tackle tough creases, durable ceramic soleplate for quick gliding, and our drip-stop system. That's five ways to speed up your ironing.

Fast ironing

- 2400 W for quick heat-up in 30 seconds
- Up to 190 g steam boost blasts stubborn creases
- Steam output up to 40 g/min for strong, steady performance
- Extra-large water hole for fast filling and emptying
- Triple precision tip for optimal control and visibility

Easy ironing

- Automatic shut-off when iron is left unattended
- Durable ceramic soleplate for easy gliding
- Drip-stop system keeps garments spotless while ironing
- Less refilling with extra-large 300 ml water tank
- Easy cord wrapping with clip for quick, tidy storage

Long lasting performance

- Calc-clean slider for long-lasting steam performance

PHILIPS

Highlights

2400 W to heat up quickly

Delivers a fast warm-up in 30 seconds for a quick start.

XL water filling hole

An extra-large opening for filling the water tank makes quick work of refills and emptying.

Ceramic soleplate

Our durable ceramic soleplate glides well on any ironable garment. It's non-stick, scratch resistant and simple to keep clean.

Steam boost up to 190 g

Penetrates deeper into fabrics to easily remove stubborn creases.

Triple precision tip

The tip is precise in 3 ways. It has a pointed tip, button groove and sleek nose design. Our triple precision tip helps you handle even the hardest-to-iron spots, like buttons and pleats.

Drip-stop system

Our drip-stop system prevents leakage to avoid stains from water droplets — and iron with confidence at any temperature.

Up to 40 g/min of steam

Strong and consistent steam output to remove creases faster.

Automatic shut-off

The iron shuts itself off if you leave it standing still. On its heel rest, it will automatically switch off in 8 minutes. Lying flat, it shuts down after 30 seconds motionless.

300 ml water tank

Fewer refills are required thanks to a large 300 ml water tank. So you can iron more clothes in one go.

Specifications

Fast crease removal

- Continuous steam: 40 g/min
- Power: 2400 W
- Steam boost: 190 g
- Variable steam levels
- Vertical steam
- Water spray

Easy to use

- Soleplate name: Ceramic
- Water tank capacity: 300 ml
- Cord freedom (swivel): 360 degree cord freedom
- Power cord length: 2 m
- Precision steam tip
- Tap water suitable
- Drip stop
- Extra large filling hole
- Auto shut-off

Scale management

- Descaling and cleaning: Self clean

Storage

- Cord storage: Cord clip

Size and weight

- Weight of iron: 1.150 kg

Guarantee

- 2 year worldwide guarantee

Green efficiency

- Energy saving mode
- User manual: 100% recycled paper

Technical specifications

- Heating time: 30 sec.
