Stand Steamer GC482/27

Highlights

Safe to use on all garments

The steamer is safe to use on all fabrics. It is a great solution for delicate fabrics like silk and cashmere.

Bacteria killing

Hot steam refreshes your clothes and kills more than 99% of bacteria and dust mites*. Less frequent washing and dry cleaning saves time and money, and helps clothes last longer.

Glove for extra protection

Heat proof glove included to protect your hand during steaming.

Integrated garment hanger

Integrated garment hanger lets you easily hang your garments like shirts, dresses and trousers while using the steamer

80% larger filling hole*

The large 1.4L detachable water tank comes with an 80% larger filling hole* compared to predecessor models, enabling easier refilling and cleaning for better tank hygiene.

Easy Rinse descaling

Prolong the lifetime of your appliance by using the Easy Rinse descaling function regularly.

Compact design

Compact design for easy storage.

2 steam settings

Set your preferred steam level for optimal results on different fabrics. Use low steam for thinner fabrics and a more powerful setting for thicker fabrics and coats.

Powerful continuous steam

32g/min of powerful continuous steam is concentrated through the nozzles, enabling dewinkling with only a few strokes.

Adjustable pole

Integrated adjustable pole for hanging your garments. It is collapsible for easy storage.
