Highlights

7 times faster airflow

The Philips Airfryer combines a "starfish" bottom design with fast circulating superheated air, resulting in optimal heat distribution. This unique combination allows the airfryer to cook a variety of foods to a delicious, crispy result with little or no added oil.

XL Family size meals

The Philips Airfryer XL is designed with your family in mind. The 6.2L capacity pan handles a variety of meals. Cook up to 5 meal portions or 1.2kg of fries in one go for your family and friends.

Save your favorite meal

We all have our favorite dishes. Whether it's a warm breakfast or a favorite family dinner, with the Philips Airfryer XL it's easy to save your favorite meal at the perfect time and temperature for stress-free cooking.

Air is the new oil

Air is the new oil! Philips Airfryer XL uses hot air to cook your favorite foods to a crispy perfection with upto 90% less fat.*

Bake. Grill. Roast. Or reheat.

The Philips Airfryer XL opens a world of possibilities - fry, bake, roast, grill and even reheat! Cook your food to perfection every time - no matter what you choose to make.

Limitless recipe inspirations

Discover hundreds of mouthwatering recipes in our app or use the free mini recipe book included with the Philips Airfryer for healthier, tasty meals.

Delicious crispier results

Philips' Rapid Air technology creates 7x faster airflow for deliciously crispy results**. Enjoy healthier and tasty snacks and meals that are crisped to perfection yet tender on the inside.

1.5 times faster than oven

The Philips Airfryer is ready to use without any pre-heating so you don't need to wait. Thanks to a combination of instant heat up and Rapid Air flow, your delicious meals will be ready 1.5 times faster than an oven*.

Easy to use and clean

The Philips Airfryer's QuickClean basket is made with non-stick mesh for easy cleaning. All the removable parts are dishwasher-safe. Frying with air also means your home will be free from the odour of traditional deep-frying.
